

Turn Your Expense to Renewable Assets

Option 1. 0-5 years lease or Loan

1. No upfront payment
2. Interest rate 4.99%
3. 0-5 years term as per the client's preference
4. Solar energy production performance guaranteed.
5. Register against the property only when it is default
6. Only use the equipment as the collateral if rebate available
7. Pay Weekly, biweekly or monthly
8. Repayments are 100% tax deductible
9. Term and condition may apply, subject to approve

Option 2. 30% Down Payment Plus 5-10 years Lease or Loan

1. Put 30% down payment of the total solar system cost
2. Interest rate 4.99%
3. Lease or finance term at 5-10 years depending on your energy rate you currently paying
4. No collateral security to your property, only the solar equipment itself
5. Solar energy production performance guaranteed.
6. Pay Weekly, biweekly or monthly
7. If provincial incentive available, down payment may not be required
8. Term and condition may apply, subject to approve

Option 3. Two payment period operating lease

1. 0% interest rate in the first term, 9.99% rate in the rest term.
2. 5-10 years term depending on your energy rate you currently paying
3. The business owner rents the solar equipment for the term of the loan
4. Repayments are 100% tax deductible
5. Off balance sheet expense – not shown as a liability on client's balance sheet
6. Preserves client's working capital and existing bank funding
7. Utilizes the solar equipment or asset financed as security for the loan, 30% down payment required if no incentive
8. Solar energy production performance guaranteed.
9. Term and condition may apply, subject to approve

Option 4. 15 to 20 years long term lease or loan

1. No upfront payment
2. Interest rate 4.99%
3. 15-20 years term as per the client's preference
4. Register against the property only when it is default
5. If provincial incentive available, only use the equipment as the collateral
6. Term and condition apply, subject to approve
7. Pay Weekly, biweekly or monthly
8. 100% tax deductible if loan
9. Off balance sheet expense – not shown as a liability on client's balance sheet if lease
10. Solar energy production performance guaranteed.
11. Term and condition may apply, subject to approve
